Effective January 1, 2020, the Oregon Public Utility Commission approved to cancel a credit to Oregon customers from the Open Access Transmission Tariff (OATT) revenue deferral. This change is included in the energy delivery charges shown on your statement. Your statement may show charges at the old and new rate.

Effective January 1, 2020, the Oregon Public Utility Commission approved several changes to the energy supply charges on your bill. These changes result in a net decrease and include wind power upgrades, solar incentive program costs, and lower net power costs. Your statement may show charges at the old and new rate.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as we receive your payment and you will not receive your check back from your financial institution. If you would like to opt out of this program and continue processing your payment as a check transaction, please call 1-800-895-0561. If you have opted out previously, please disregard this message.

Effective February 1, 2020, the Oregon Public Utility Commission approved the collection of the Oregon Corporate Activity Tax (OCAT) from customers. The OCAT is a new state-wide tax on Oregon commercial activity beginning January 1, 2020. This charge is shown on your statement as Oregon Corp Activities Tax Adj.

Make sure you are getting all your tax benefits this year. Get info on the Earned Income Tax Credit (EITC) and free tax preparation services for those who qualify at www.cashoregon.org.

Blue Sky is celebrating 20 years! Keep an eye out for your personalized annual report coming next month with exciting program information and updates.

Please consider helping your neighbors in need of energy assistance by using the enclosed envelope. Donations may be tax deductible. Pacific Power will contribute \$2 for every \$1 donated, allowing your contribution to go even further.

Effective April 1, 2020, the Oregon Public Utility Commission approved several changes to the energy supply charges on your bill. These changes result in a net increase and include wind power upgrades and increased production tax credits. Your statement may show charges at the old and new rate.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as we receive your payment and you will not receive your check back from your financial institution. If you would like to opt out of this program and continue processing your payment as a check transaction, please call 1-800-895-0561. If you have opted out previously, please disregard this message.

To better serve you, we updated our bill alert emails. The new emails give you easy access to your bill, your energy usage graph and more. Go paperless at pacificpower.net/paperless.

Here for you

We understand thousands of our customers have been impacted by the recent, historic storm in our region, causing even more uncertainty in an already challenging year. We continue working on repairs and restoration and pledge to help impacted communities.

Effective September 18, the Oregon Public Utility Commission approved a price increase for Pacific Power to recover costs associated with upgrading certain PacifiCorp wind resources and reflecting the benefits from those resources to the company's cost of power. This change will be reflected in the energy supply charges shown on your statement. Your statement may show charges at the old and new rate.

Effective November 1, 2020, the Oregon Public Utility Commission approved a price increase for Pacific Power to recover costs with upgrading specific wind resources to increase efficiency and produce more clean energy. This change will be reflected in the energy supply charges shown on your statement. Your statement may show charges at the old and new rate.

Energy assistance resources are available now and may be able to help. Community Services Consortium (CSC) can be reached at 541-752-2840. Find out more at pacificpower.net/assistance.

From all of us at Pacific Power, we wish you a safe and happy holiday season.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as we receive your payment and you will not receive your check back from your financial institution. Effective December 11, 2020, the Oregon Public Utility Commission approved a price decrease proposed by Pacific Power to reflect lower net power costs. This change will be reflected in the energy supply charges shown on your statement. Your statement may show charges at the old and new rate.

Effective Jan. 1, 2021, your bill reflects changes approved by the Oregon Public Utility Commission, resulting in an average decrease of 5.2%. This adjustment reflects our commitment to keep prices low while providing safe, reliable power and advancing clean energy. Your bill may include both old and new prices.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as we receive your payment and you will not receive your check back from your financial institution. If you would like to opt out of this program and continue processing your payment as a check transaction, please call 1-800-895-0561. If you have opted out previously, please disregard this message.

To better serve you, we updated our bill alert emails. The new emails give you easy access to your bill, your energy usage graph and more. Go paperless at pacificpower.net/paperless.

Effective April 9, 2021, the Oregon Public Utility Commission approved a price increase for Pacific Power to recover costs from upgrades at two wind facilities to increase efficiency and produce more clean energy. This change is reflected in the energy supply charges on your statement. Your statement may include charges at the old and new rate.

Effective April 21, 2021, the Oregon Public Utility Commission approved an increase in the rate used to collect the cost of the Oregon Corporate Activity Tax (OCAT) from customers. The OCAT is a statewide tax on Oregon-sourced commercial activity. This charge, shown on your statement as Oregon Corp Activities Tax Adj, may reflect charges at the old and new rate.

Wildfire safety & preparedness

Safety is a community effort that takes all of us working together. As we're taking steps to continue to mitigate wildfire risks by strengthening our system, pruning more trees and partnering with state and local agencies on emergency preparedness, it's also important for you to update your contact information and sign up for alerts with us.

Other ways to take action at home: Make a plan, create defensible space, and plan for medical needs. Consider a backup generator if your medical equipment requires electricity. Signing up for reverse notifications if an emergency happens is easy and free. Check your local emergency management or public safety website for more information on how to sign up.

Visit our wildfire safety resource center to access an easy-to-use interactive map showing Public Safety Power Shutoff areas, outage preparation checklists, and view the 7-day forecasts for designated areas: www.pacificpower.net/wildfiresafety.

Seguridad y preparación

La seguridad es un esfuerzo comunitario que nos hace trabajar juntos. A medida que estamos tomando pasos para seguir mitigando los riesgos de incendios forestales mediante el fortalecimiento de nuestro sistema, apodando mas arboles y colaborando con agencias estatales y locales en la preparación para emergencias, también es importante que actualice su información de contacto y se registre para recibir nuestras alertas.

Otras formas de tomar medidas en casa: Haga un plan, mantenga un espacio defendible, y planifique para necesidades médicas. Considere como respaldo un generador si su equipo médico requiere electricidad. Registrarse para recibir notificaciones inversas si ocurre una emergencia es fácil y gratuito.

Wildfire safety & preparedness

Safety is a community effort that takes all of us working together. As we're taking steps to continue to mitigate wildfire risks by strengthening our system, pruning more trees and partnering with state and local agencies on emergency preparedness, it's also important for you to update your contact information and sign up for alerts with us.

Other ways to take action at home: Make a plan, create defensible space, and plan for medical needs. Consider a backup generator if your medical equipment requires electricity. Signing up for reverse notifications if an emergency happens is easy and free. Check your local emergency management or public safety website for more information on how to sign up.

Visit our wildfire safety resource center to access an easy-to-use interactive map showing Public Safety Power Shutoff areas, outage preparation checklists, and view the 7-day forecasts for designated areas: www.pacificpower.net/wildfiresafety.

Seguridad y preparación

La seguridad es un esfuerzo comunitario que nos hace trabajar juntos. A medida que estamos tomando pasos para seguir mitigando los riesgos de incendios forestales mediante el fortalecimiento de nuestro sistema, apodando mas arboles y colaborando con agencias estatales y locales en la preparación para emergencias, también es importante que actualice su información de contacto y se registre para recibir nuestras alertas.

Otras formas de tomar medidas en casa: Haga un plan, mantenga un espacio defendible, y planifique para necesidades médicas. Considere como respaldo un generador si su equipo médico requiere electricidad. Registrarse para recibir notificaciones inversas si ocurre una emergencia es fácil y gratuito.

Visite nuestro centro de recursos de seguridad contra incendios forestales para acceder un mapa interactivo fácil de usar que muestra las áreas de cierre de energía de seguridad pública, listas de verificación de preparación de interrupción, y vea las previsiones de 7 días para las áreas designadas: www.pacificpower.net/wildfiresafety.

We're here to help customers get back on track. We're resuming normal business practices starting August 2, 2021, including issuing past due and disconnect notices for non-payment. Visit our website or call us to discuss options for your account.

Estamos aquí para ayudar a nuestros clientes a volver a la normalidad. Reanudaremos las prácticas comerciales normales a partir del 2 de agosto de 2021, incluyendo las notificaciones de vencimiento y las notificaciones de desconexión por falta de pago. Effective July 1, 2021, the Oregon Public Utility Commission approved a price change related to the cost of retired metering equipment. This change is reflected in the delivery charges on your statement. Your statement may include charges at the old and new rate.

Effective July 1, 2021, the Oregon Public Utility Commission approved a price change to the Energy Conservation Charge. This state-mandated charge funds cost-effective energy conservation measures related to the Oregon Renewable Energy Act. Your statement may reflect charges at the old and new rate.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as we receive your payment and you will not receive your check back from your financial institution. If you would like to opt out of this program and continue processing your payment as a check transaction, please call 1-800-895-0561. If you have opted out previously, please disregard this message.

Wildfire safety & preparedness

Safety is a community effort that takes all of us working together. As we're taking steps to continue to mitigate wildfire risks by strengthening our system, pruning more trees and partnering with state and local agencies on emergency preparedness, it's also important for you to update your contact information and sign up for alerts with us.

Other ways to take action at home: Make a plan, create defensible space, and plan for medical needs. Consider a backup generator if your medical equipment requires electricity. Signing up for reverse notifications if an emergency happens is easy and free. Check your local emergency management or public safety website for more information on how to sign up.

Visit our wildfire safety resource center to access an easy-to-use interactive map showing Public Safety Power Shutoff areas, outage preparation checklists, and view the 7-day forecasts for designated areas: www.pacificpower.net/wildfiresafety.

Seguridad y preparación

La seguridad es un esfuerzo comunitario que nos hace trabajar juntos. A medida que estamos tomando pasos para seguir mitigando los riesgos de incendios forestales mediante el fortalecimiento de nuestro sistema, apodando mas arboles y colaborando con agencias estatales y locales en la preparación para emergencias, también es importante que actualice su información de contacto y se registre para recibir nuestras alertas.

Otras formas de tomar medidas en casa: Haga un plan, mantenga un espacio defendible, y planifique para necesidades médicas. Considere como respaldo un generador si su equipo médico requiere electricidad. Registrarse para recibir

Wildfire safety & preparedness

Safety is a community effort that takes all of us working together. As we're taking steps to continue to mitigate wildfire risks by strengthening our system, pruning more trees and partnering with state and local agencies on emergency preparedness, it's also important for you to update your contact information and sign up for alerts with us.

Other ways to take action at home: Make a plan, create defensible space, and plan for medical needs. Consider a backup generator if your medical equipment requires electricity. Signing up for reverse notifications if an emergency happens is easy and free. Check your local emergency management or public safety website for more information on how to sign up.

Visit our wildfire safety resource center to access an easy-to-use interactive map showing Public Safety Power Shutoff areas, outage preparation checklists, and view the 7-day forecasts for designated areas: www.pacificpower.net/wildfiresafety.

Seguridad y preparación

La seguridad es un esfuerzo comunitario que nos hace trabajar juntos. A medida que estamos tomando pasos para seguir mitigando los riesgos de incendios forestales mediante el fortalecimiento de nuestro sistema, apodando mas arboles y colaborando con agencias estatales y locales en la preparación para emergencias, también es importante que actualice su información de contacto y se registre para recibir nuestras alertas.

Otras formas de tomar medidas en casa: Haga un plan, mantenga un espacio defendible, y planifique para necesidades médicas. Considere como respaldo un generador si su equipo médico requiere electricidad. Registrarse para recibir notificaciones inversas si ocurre una emergencia es fácil y gratuito.

Visite nuestro centro de recursos de seguridad contra incendios forestales para acceder un mapa interactivo fácil de usar que muestra las áreas de cierre de energía de seguridad pública, listas de verificación de preparación de interrupción, y vea las previsiones de 7 días para las áreas designadas: www.pacificpower.net/wildfiresafety.

Estamos ayudando a los clientes a volver a la normalidad. Hemos reanudado las prácticas comerciales normales, incluyendo la emisión de avisos vencidos y de desconexiones por falta de pago. Visite nuestro sitio web o llámenos para analizar las opciones para su cuenta.

Wildfire safety & preparedness

Safety is a community effort that takes all of us working together. As we're taking steps to continue to mitigate wildfire risks by strengthening our system, pruning more trees and partnering with state and local agencies on emergency preparedness, it's also important for you to update your contact information and sign up for alerts with us.

Other ways to take action at home: Make a plan, create defensible space, and plan for medical needs. Consider a backup generator if your medical equipment requires electricity. Signing up for reverse notifications if an emergency happens is easy and free. Check your local emergency management or public safety website for more information on how to sign up.

Visit our wildfire safety resource center to access an easy-to-use interactive map showing Public Safety Power Shutoff areas, outage preparation checklists, and view the 7-day forecasts for designated areas: www.pacificpower.net/wildfiresafety.

Seguridad y preparación

La seguridad es un esfuerzo comunitario que nos hace trabajar juntos. A medida que estamos tomando pasos para seguir mitigando los riesgos de incendios forestales mediante el fortalecimiento de nuestro sistema, apodando mas arboles y colaborando con agencias estatales y locales en la preparación para emergencias, también es importante que actualice su información de contacto y se registre para recibir nuestras alertas.

Otras formas de tomar medidas en casa: Haga un plan, mantenga un espacio defendible, y planifique para necesidades médicas. Considere como respaldo un generador si su equipo médico requiere electricidad. Registrarse para recibir notificaciones inversas si ocurre una emergencia es fácil y gratuito.

Visite nuestro centro de recursos de seguridad contra incendios forestales para acceder un mapa interactivo fácil de usar que muestra las áreas de cierre de energía de seguridad pública, listas de verificación de preparación de interrupción, y vea las previsiones de 7 días para las áreas designadas: www.pacificpower.net/wildfiresafety.

Choose a new Time of Use plan. You'll save money on your bill when you shift your energy use away from on-peak hours of 5-9 p.m. each evening. Visit pacificpower.net/tou or call 1-888-221-7070.

Explore a new Time of Use plan. You'll save money on your bill when you shift your energy use away from on-peak hours on weekdays. Visit pacificpower.net/tou or call 1-866-870-3419.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as we receive your payment and you will not receive your check back from your financial institution. If you would like to opt out of this program and continue processing your payment as a check transaction, please call 1-800-895-0561. If you have opted out previously, please disregard this message.

Wildfire safety & preparedness

Safety is a community effort that takes all of us working together. As we're taking steps to continue to mitigate wildfire risks by strengthening our system, pruning more trees and partnering with state and local agencies on emergency preparedness, it's also important for you to update your contact information and sign up for alerts with us.

Other ways to take action at home: Make a plan, create defensible space, and plan for medical needs. Consider a backup generator if your medical equipment requires electricity. Signing up for reverse notifications if an emergency happens is easy and free. Check your local emergency management or public safety website for more information on how to sign up.

Visit our wildfire safety resource center to access an easy-to-use interactive map showing Public Safety Power Shutoff areas, outage preparation checklists, and view the 7-day forecasts for designated areas: www.pacificpower.net/wildfiresafety.

Seguridad y preparación

La seguridad es un esfuerzo comunitario que nos hace trabajar juntos. A medida que estamos tomando pasos para seguir mitigando los riesgos de incendios forestales mediante el fortalecimiento de nuestro sistema, apodando mas arboles y colaborando con agencias estatales y locales en la preparación para emergencias, también es importante que actualice su información de contacto y se registre para recibir nuestras alertas.

Otras formas de tomar medidas en casa: Haga un plan, mantenga un espacio defendible, y planifique para necesidades médicas. Considere como respaldo un generador si su equipo médico requiere electricidad. Registrarse para recibir notificaciones inversas si ocurre una emergencia es fácil y gratuito.

Visite nuestro centro de recursos de seguridad contra incendios forestales para acceder un mapa interactivo fácil de usar que muestra las áreas de cierre de energía de seguridad pública, listas de verificación de preparación de interrupción, y vea las previsiones de 7 días para las áreas designadas: www.pacificpower.net/wildfiresafety.

To help those in your area who need assistance paying energy bills, enroll in our bill round up or lend a hand programs. Donations may be tax deductible. Pacific Power contributes \$2 for every \$1 donated, allowing your contribution to go further. Call us at 1-888-221-7070 to enroll.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as we receive your payment and you will not receive your check back from your financial institution. If you would like to opt out of this program and continue processing your payment as a check transaction, please call 1-800-895-0561. If you have opted out previously, please disregard this message.

Looking for other ways to pay?

Visit pacificpower.net/pay for all your options. You can choose to pay on your device using our mobile app, on our website, at a pay station in your community, or pay over the phone by calling 1-888-221-7070.

Effective Jan. 1, 2022, your bill reflects changes approved by the Oregon Public Utility Commission. Changes include updates to the cost of providing energy, changes in costs that support energy efficiency and transportation electrification programs, changes to the low-income bill payment assistance and Oregon solar incentive programs, and an increase in the Bonneville Power Administration credit, if applicable. Your bill may include both old and new prices.

The commission also approved elimination of the pilot program cost adjustment which is part of the energy delivery charge shown on your bill and the energy conservation charge. The commission approved the incorporation of these costs into a new system benefit charge. Your bill may include both old and new prices.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as we receive your payment and you will not receive your check back from your financial institution. If you would like to opt out of this program and continue processing your payment as a check transaction, please call 1-800-895-0561. If you have opted out previously, please disregard this message.

Due to increasing demand for renewable energy across the U.S., the Blue Sky Block size has reverted from 200 kilowatt-hours back to 100 kWh starting in January 2022. The cost per Block remains \$1.95. Learn more: pacificpower.net/blueskypcl

Wildfire safety & preparedness

Safety is a community effort that takes all of us working together. As we're taking steps to continue to mitigate wildfire risks by strengthening our system, pruning more trees and partnering with state and local agencies on emergency preparedness, it's also important for you to update your contact information and sign up for alerts with us.

Other ways to take action at home: Make a plan, create defensible space, and plan for medical needs. Consider a backup generator if your medical equipment requires electricity. Signing up for reverse notifications if an emergency happens is easy and free. Check your local emergency management or public safety website for more information on how to sign up.

Visit our wildfire safety resource center to access an easy-to-use interactive map showing Public Safety Power Shutoff areas, outage preparation checklists, and view the 7-day forecasts for designated areas at pacificpower.net/wildfiresafety.

Seguridad y preparación

La seguridad es un esfuerzo comunitario que nos hace trabajar juntos. A medida que estamos tomando pasos para seguir mitigando los riesgos de incendios forestales mediante el fortalecimiento de nuestro sistema, apodando mas arboles y colaborando con agencias estatales y locales en la preparación para emergencias, también es importante que actualice su información de contacto y se registre para recibir nuestras alertas.

Otras formas de tomar medidas en casa: Haga un plan, mantenga un espacio defendible, y planifique para necesidades médicas. Considere como respaldo un generador si su equipo médico requiere electricidad. Registrarse para recibir notificaciones inversas si ocurre una emergencia es fácil y gratuito.

Visite nuestro centro de recursos de seguridad contra incendios forestales para acceder un mapa interactivo fácil de usar que muestra las áreas de cierre de energía de seguridad pública, listas de verificación de preparación de interrupción, y vea las previsiones de 7 días para las áreas designadas: pacificpower.net/wildfiresafety.

Elija un nuevo plan tarifario según la hora de uso (Time of Use) para su hogar, empresa o granja. De esta manera, ahorrará dinero en su próxima factura al hacer cambios en el consumo energético durante las horas pico. Visite la página pacificpower.net/tou o llame al 1-888-225-2611 para solicitar más información.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.
